ENCANTO

Il fluire delle forme incontra la perfezione artigianale. Encanto nasce dalla fusione tra un design puro e cilindrico e la texture sartoriale delle sue manopole, che catturano la luce in un gioco continuo di riflessi. Un dettaglio che trasforma ogni gesto in un'esperienza senza tempo.

The flow of form meets artisanal perfection. Encanto is born from the fusion of pure, cylindrical design and the sartorial texture of its handles, which capture light in a continuous play of reflections. A detail that transforms every gesture into a timeless experience.

Cod. 0101987000 Ed. 09/26
